## **PRESIDENT'S MESSAGE**

On behalf of the Board of Directors and employees of the Michigan Trapshooting Association we would like to welcome everyone to attend the 2014 shooting season at the Michigan Trap Shooting grounds. We are executing a new business plan this year to reflect the quality of the shooting experience throughout the entire shooting venue.

The current Board of Directors have been working diligently throughout the past off season to promote the positive aspects of our sport. We have secured, through the generous donations of some of the most prestigious vendors in the sport, some amazing trophies to be given away at not only the Michigan State Shoot, but the Spring and Fall Team Shoots as well. An example of this is a Zoli shotgun, a case of ammo per week for a year, an E-Z-Go golf cart, as well as many more to come.

The Board of Directors has put in place committees to assist in Hall of Fame placements, trophy procurement, program editing, and trap repair / target setting, and would like everyone who may attend to know that your input is much needed and cherished, as we strive to make the Michigan Trapshooting grounds one of the truly premier grounds in the country.

Also the Board of Directors as well as I would like to seize this opportunity to honor the newest members of the Michigan Trapshooting Hall of Fame: Joe D. Green, Richard Jensen, Robin & Kathy Fitzgibbons and Ken H. Smith. Inducted last year, these people are considered ambassadors of sport and their accomplishments are duly noted. We as Directors will forever appreciate their support and friendship.

In closing, I would like to take this opportunity to thank the Board of Directors of the MTA for allowing me the honor and privilege of serving as President of our association. Through their tireless work and effort, the Michigan Trapshooting Association continues to strive to be one of the stellar clubs in the country.

## HOW TO ENTER AN EVENT

In order to shoot in an event, you must first be classified and have your information entered into the computer system at the classification counter. The classification and squading counters are located in the far building east of the cafeteria. Classification, Squading and Cashiering will be open from 4:00PM to 6:00PM the day prior to each shoot. Classification, Squading and Cashiering will be open at 8:00AM every day during the shoot. Closing will be 5:00PM or a time set by management and announced on the PA system prior to closing. The cashier windows are located in the east end of the cafeteria building.

Classification, Squading and Cashiering will be open at 7:30AM on the days of the Team Shoots, Sunday, May 4, 2014 and Sunday, September 7, 2014. A.T.A. rules will be followed for all classifying and squading.

**1. Classification:** Your singles and doubles class and your handicap yardage will be determined at the Classification counter. You must have proof of your current A.T.A. membership in order to be classified. You may join the A.T.A. or renew your membership at the Classification counter. See the Classification section for Classification details.

**2. Squading:** You will only need your A.T.A. number to pull squads. There are no cards given out as in the past. Pre-Squading is done through the [www.presquad.com](http://www.presquad.com) website. If you pull a squad/position and you are not going to use it, please notify the Squading counter as soon as possible. This will allow us to fill the holes in short squads, making the tournament more enjoyable for everyone.

**3. Cashiering:** You will only need your A.T.A. card in order to pay for your shooting. When you pay for the first event, you will receive a receipt showing all of the squads that you've squaded for (paid for or not), and options played (if any) for each event cashiered.

## CLASSIFICATION

Shooters will be classified according to their known ability. To determine a shooter's known ability, the following will be considered:

- a. Official averages (abnormally low scores will be discarded)
- b. Non-registered scores including shoot-off and practice scores.
- c. Any other information bearing on a shooter's abilities to shoot and break targets.

1. The following system will be used for all shoots except the Great Lakes Grand. (See the Great Lakes Grand shoot program for classification and target requirements.)

	SINGLES		DOUBLES
AA	97% and over	AA	93% and over
A	94% and under 97%	A	89% and under 93%
B	91% and under 94%	B	85% and under 89%
C	88% and under 91%	C	78% and under 85%
D	under 88%	D	under 78%

2. High scores in each class in all singles and doubles events will advance one class. Should you earn yardage in any handicap event, you must report to the classification counter to have your average card punched to the new yardage. Any shooter whose yardage or class has changed for any reason shall be considered to have been notified when the new class or yardage is posted in the scoreboard annex. Change of yardage for any shooter may be made at any time during the year including immediately before and during the shoot.

3. Any shooter who shoots in a class or from a yardage higher or lower than the assigned class or yardage will be subject to disqualification and will not be eligible to share in any money division or eligible for trophies.

#### 4. PENALTIES

**Singles** – No entrant shall shoot 16-yard singles events in less than Class A, or higher (Ladies and Sub-Junior in Class B or higher) without having a minimum of 1,000 registered targets for the current and previous year combined.

**Doubles** – No entrant shall shoot doubles events in less than Class B or higher without having a minimum of 500 registered targets for the current and previous year combined.

**Handicap** – No entrant shall shoot any handicap events at their current A.T.A. yardage without having a minimum of 1,000 registered targets for the current and previous year combined. Handicap entrants not meeting the requirements shall be assessed a 2-yard penalty (Ladies and Sub-Juniors, 1 yard) to their current yardage.

*Handicap target requirements will be waived for Senior Veterans.*

*Penalty yardage will be waived, if shooting targets only. The shooter will not be eligible to win trophies or play options.*

#### 5. SPECIAL CATEGORIES

Lady I, Lady II, Junior, Sub-Junior, Junior Gold, Sub-Veteran, Veteran and Senior Veteran categories must be declared when you classify. *This is the responsibility of the shooter. Once the shooter shoots at the first target the classification cannot be changed. Exception to this rule is if the classification error was the fault of the classifier. Check your classification before you leave Classification.* If your special category does not appear on the posted score sheet, please report the omission at the Classification counter.

Age-based special categories are determined at the beginning of the target year, or on your birthday. Please see the A.T.A. rule book for details.

##### **Ages for special category are:**

Veteran:	65 years old up to 70 years old
Senior Veteran:	70 years old and older
Junior:	15 years old up to 18 years old
Sub-Junior:	Under 15 years old
Sub-Veteran:	55 years old up to 65 years old
Junior Gold:	19 years old up to 23 years old
Lady I:	Under 55 years old
Lady II:	55 years old and older

##### **Additional Special Category Trophies:**

##### **Zone Team, Parent and Child, Husband and Wife**

For the Michigan State Shoot Singles Championship (Event 12) July 5, 2014.

*Your eligibility for these additional special category trophies must be declared at the Squading counter, prior to the start of the event.*

## **TROPHIES, TIES AND SHOOT-OFFS**

1. A shooter may not win more than one trophy in the same event. If a shooter's score qualifies for more than one trophy, that shooter must notify the office within 15 minutes after that event's last scores have been posted, as to which trophy he/she desires to take or shoot off for. Concurrent special awards are exempt from this rule.

If the shooter fails to make appropriate notification of his/her choice, the Directors will make the choice for that shooter.

This rule shall not be interpreted to affect the right of all contestants whose score qualifies them from shooting off for the Championship Trophy in any event. Championship Trophy, for the purpose of this rule, means the trophy awarded to the highest scoring event winner. It does not mean class champions, special category champions or any other trophy than the high score winner and runner-up.

2. Leader-to-date listings are displayed on the video monitors in the main cafeteria building and scoreboard annex to allow shooters to track potential shoot-offs. Shooters are advised to note where special category shooters may have high score/tie in class and special category. It is possible that a score lower than broadcast on the video display monitors may be involved in a shoot-off.

3. Trophy ties in all handicap events will be shot off after the last event of each day. Trophy ties in singles and doubles events will be carried over to the next like event on the regular program whenever possible, and shot off by sub-event. If the program does not indicate a carryover for singles or doubles events, the trophy ties will be shot off after the last event each day.

4. Contestants in shoot-offs will be called over the public address system to report to the designated check-in area. Anyone in a tie who does not answer the call for shoot-offs will forfeit rights to any trophy.

5. The trophy room is located at the east end of the cafeteria. It will be opened each day of the shoot at times determined by the Directors. Trophies will not be mailed.

6. Lists of unclaimed trophies are posted in the trophy room and the squading room. The M.T.A. will make every effort to get trophies to the winners. However, any trophies for the year not picked up by the end of the Fall Team Shoot will be forfeited. Fall Team Trophies not picked up during the Fall Team Shoot can be picked up during the next year's Spring Team Shoot. After that the trophies are forfeited.

7. **Pins and Patches:** Anyone breaking 100 or 200 straight without carryover for the first time at Michigan home grounds will be awarded a State Pin. Only one such pin will be awarded to any individual. 25, 50, 75, 100 and 200 straight patches are also available. Please inquire at the information window.

## **MAKE-UPS**

Any shooter missing all or part of a round should report to the practice traps for a make-up sheet, and make up the round(s) no later than 10 minutes after the last squad in that event has completed the event. Make-up rounds will be shot alone or with other make-up shooters. If the make-up is not shot within 30 minutes after the event, all targets not fired at will be scored zero.

## **FEES**

1. **Fees** – Daily Fees: A.T.A. \$3.00, M.T.A. \$2.00.

2. **Junior and Sub-Junior** shooters may enter all events for \$20.00 per hundred entry fees plus A.T.A. and M.T.A. fees. Those shooting at a reduced rate may not play any options. Junior and Sub-junior shooting for reduced rates will be eligible for Junior and Sub-junior trophies only. ## **OPTIONS AND PAYOUTS**

All checks issued for payouts will be void after 60 days. Each shooter who is entitled to receive money during any event agrees that if such money is not received during the period of the tournament, a check in payment for the money won may be mailed to the shooter at the address indicated by the A.T.A. records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed, undelivered, or otherwise not received by the shooter.

Perfect Middle 50: Pays middle 50 only – If there are no 50's in the event, the pot carries over to next handicap event.

*Due to federal regulations, the M.T.A. will not issue winnings by mail or in person without obtaining the recipient's Social Security number.*

## **Great Lakes 50**

At the end of the handicap event, two traps will be drawn and this will be the 50 paid.

Example: Traps 1&2 – 1&4 – 2&4 – 3&4

Must be a 50 to be paid. When a 50 is broken, 75% will be paid to the shooter with 25% carried over. If no 50 is broken, the purse will be carried over to the next Handicap event or the next shoot.

## **Great Eastern Purse**

Team entry forms with instructions will be available at the Squading counter. The team captains must submit the form completely filled out. All A.T.A. registered shooters are eligible to compete on a team, and shooters may shoot on one team only. A high degree of ability is not necessary since class winners in the team events are determined by the Lewis system.

**Sub-Junior and Junior teams are welcome and encouraged. They must consist of shooters less than 15 and 18 years of age respectively.**

The Directors reserve the right to reject any team name they determine to be inappropriate.

**Targets:** 100 targets per person at \$34.00 (plus A.T.A. and M.T.A. fees) will include targets, trophies and guaranteed purses.

**Ties:** All ties in Event 7, the Team event (except individual and team champion, which will be determined by shoot-off if necessary) will be by reverse score by sub-event. If a tie still exists, it will be decided by reverse long run.

**Trophies:** 165 team trophies – 33 winning teams (including Champion and Runner-up in each of these categories: Lady, Junior, Sub-Junior) 5 Trophies for each team. Individual trophies for Champion and Runner-Up. All scores are official 30 minutes after the event is complete.

***Junior, Sub-Junior and Lady teams must declare their intentions to shoot for category trophies prior to shooting the Team Event. If no declaration is made, their team(s) will not be allowed to shoot for category trophies.***

**Guaranteed Purses:**

- \$50.00 to each member of Champion Team
- \$35.00 to each member of Runner-Up Team
- \$75.00 to Champion Shooter

(That means, for example, that if we have 150 teams, the 121st team will win Class D).

All Team awards will be made to the Team Captain. All money will be paid to the individual shooters.

Trophies will be awarded to each team member on the following teams:
