**"Bring Your Gun and Have Some Fun!"**

**A Special Message from the  
MTA Hall of Fame & Museum**

The existing facilities at the MTA grounds do not provide the appropriate climate control to preserve the Hall of Fame and Museum artifacts, exhibits, and photos. Each year, all items are removed from the clubhouse and stored over the winter. We are reluctant to accept additional items to grow the museum collection until we have appropriate housing.

The HOF BOD and MTA BOD have been discussing ways to provide a permanent Hall of Fame & Museum area to preserve our collection year-round. Preliminary bids indicate the cost will be \$45,000 to \$50,000 to renovate part of the clubhouse for this purpose. This cost is beyond our current resources. We are considering ways we can accomplish this goal.

*We are asking for your input. If you are a general contractor, electrician, framer, or any other building trade specialist, we would love to hear your ideas and would appreciate your help. Anyone interested in helping with this project is invited to contact a MTA board member or HOF board member.*

*MTA is a 501c3 organization. Contributions tax deductible to the extent of the law.*

Thank You. MTA Hall of Fame & Museum Board  
of Directors
