"Bring Your Gun and Have Some Fun!"

Fellow Shooters,

This is your 2019 Schedule of Invitational Events for trapshooting at clubs near you here in Michigan. While there are four great shoots at Mason listed on the front cover, there are many more shoots in Michigan that can be found in this Schedule.

At the MTA in 2018, we hosted the first ever USA High School Clay Target League National Championships. It was amazing to see 1273 young shooters safely take to the trap line. During this three day shoot 403,000 clay targets were thrown. The MTA will also be the site of the 2019 National High School Championships. I expect that we will again fill our campground and hotels in Lansing and Jackson, and since Wednesday practice will be in their 2019 program, we will likely throw even more targets! High School teams have been forming in many schools and they practice and learn to shoot trap at the clubs where we shoot. It's important for us more experienced shooters to lead by showing safety, good sportsmanship, and the integrity that is a hallmark of our sport.

Thanks to all those who volunteer to help these shoots in this Schedule and at Mason run smoothly. If you think about it, there's a lot to do. Target setting, squading, classification, filling the house, cashiering, scoring, and helping new shooters are all vital to any trap shoot.

I'll close by thanking the Board of Directors for allowing me the privilege to serve as President of the Michigan Trapshooting Association. The Board works between shoots to set things up for the shoot and during the shoots in the many roles required to make our home grounds in Mason one of the best places to shoot anywhere.

MTA President, JB Lewis
