PRESIDENT'S MESSAGE

Hello from the Michigan Trapshooting Association.

I want to bring everyone up to date on a few things, unfortunately target prices continue to increase and the board will work very hard to keep prices as low as possible. I again want to thank everyone who donated to the new lights. The new lights are up and working very well, there is funds left over, we plan to use them to update the lights in the bathrooms, cafeteria, and offices.

We have put new heaters in the restrooms. We had lead reclaimed late last summer and the proceeds were used to purchase a new tractor and mower. The tractor is on the property and works well. The mower is backordered and is expected to be delivered by the beginning of the summer. Both were badly needed and are paid in full. The skeet/sporting clays expansion is moving forward. The concrete pads for skeet are in place and the portable houses are being built and prepped for use.

We look forward to a very busy year at the MTA so as always, we need all the help we can get, so please volunteer. Be safe and good shooting in 2023.

Mike Wilson,

MTA PRESIDENT

HOW TO ENTER AN EVENT

In order to shoot in an event, you must first be classified and have your information entered into our computer system at the classification counter. The classification and squadding counters are located in the buildings east of the cafeteria. Classification, Squadding and Cashiering will be open from 4:00 pm to 5:00 pm the day prior to each shoot. Classification, Squadding, and Cashiering will open at 8:00 am every day during the shoot (7:30 am on the Sunday of the Team shoots). Closing will be 4:00 pm or a time set by management and announced on the PA system prior to closing. The cashier windows are located in the east end of the cafeteria building.

1. Classification: Your singles and doubles class and your handicap yardage will be determined at the Classification counter. You must have proof of your current A.T.A. membership in order to be classified. You may join the A.T.A. or renew your membership at the Classification counter. See the Classification section for Classification details.

2. Squadding: You will only need your A.T.A. number to pull squads. There are no cards given out as in the past. If you pull a squad/position and you are not going to use it, please notify the Squadding counter as soon as possible. This will allow us to fill the holes in short squads, making the tournament more enjoyable for everyone.

3. Cashiering: You will only need your A.T.A. card in order to pay for your shooting. When you pay for the first event, you will receive a receipt showing all of the squads that you've squaded for (paid for or not), and options played (if any) for each event cashiered.

CLASSIFICATION

Shooters will be classified according to their known ability. To determine a shooter's known ability, the following will be considered:

- a. Official averages (abnormally low scores will be discarded)
- b. Non-registered scores including shoot-off and practice scores.
- c. Any other information bearing on a shooter's abilities to shoot and break targets.

1. The following system will be used for all shoots except the Great Lakes Grand and the Central Zone Shoot which use 6 classification with "AAA". (See the Great Lakes Grand and Central Zone shoot programs for classification and target requirements.)

SINGLES		DOUBLES	
AA	97% and over	AA	93% and over
A	94% and under 97%	A	89% and under 93%
B	91% and under 94%	B	85% and under 89%
C	88% and under 91%	C	78% and under 85%
D	under 88%	D	under 78%

2. At the State Shoot beginning with Event 4, in all events that include class advances, all shooter (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. Should you earn yardage in any handicap event, you must report to the classification counter to have your average card punched to the new yardage. Any shooter whose yardage or class has changed for any reason shall be considered to have been notified when the new class or yardage is posted in the scoreboard annex. Change of yardage for any shooter may be made at any time during the year including immediately before and during the shoot.

3. Any shooter who shoots in a class or from a yardage higher or lower than the assigned class or yardage will be subject to disqualification and will not be eligible to share in any money division or eligible for trophies.

4. PENALTIES

Singles – Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous year combined will be advanced one class or more at the discretion of the classification committee. Shooters without an established average shall be placed in class “B” or higher at the discretion of the classification committee.

Doubles – Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous year combined will be advanced one class or more at the discretion of the classification committee. Shooters without an established average shall be placed in class “B” or higher at the discretion of the classification committee.

Handicap – Assigned yardage applies during these tournaments. Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and previous year combined will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. Handicap target requirements will be waived for shooters age 70 and older, making them eligible for trophies and monies. Known ability may also be applied by the handicap committee. Shooters who fail to meet the minimum handicap target requirements as described above may shoot “Targets Only” from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money, and trophies including HOA and HAA trophies.

5. SPECIAL CATEGORIES

Lady I, Lady II, Junior, Sub-Junior, Junior Gold, Sub-Veteran, Veteran and Senior Veteran categories must be declared when you classify. *This is the responsibility of the shooter. Once the shooter shoots at the first target the classification cannot be changed. Exception to this rule is if the classification error was the fault of the classifier. Check your classification before you leave Classification.* If your special category does not appear on the posted score sheet, please report the omission at the Classification counter.

Age-based special categories are determined at the beginning of the target year, or on your birthday. Please see the A.T.A. rule book for details.

Ages for special category are:

Veteran:	65 years old up to 70 years old
Senior Veteran:	70 years old and older
Junior:	15 years old up to 18 years old
Sub-Junior:	Under 15 years old
Sub-Veteran:	55 years old up to 65 years old
Junior Gold:	19 years old up to 23 years old
Lady I:	Under 55 years old
Lady II:	55 years old & older

Additional Special Category Trophies:

Zone Team, Parent and Child, and Siblings

For the Michigan State Shoot Singles Championship (Event 13) July 1, 2023. Forms can be picked up at the squadding counter and turned into the cashier’s window after they shoot the event.

Your eligibility for these additional special category trophies must be declared at the Squadding counter, prior to the start of the event.

TROPHIES, TIES AND SHOOT-OFFS

1. A shooter may not win more than one trophy in the same event. If a shooter’s score qualifies for more than one trophy, that shooter must notify the office within 15 minutes after that event’s last scores have been posted, as to which trophy he/she desires to take or shoot off for. Concurrent special awards are exempt from this rule.

If the shooter fails to make appropriate notification of his/her choice, the Directors will make the choice for that shooter.

Second and third places in Special Categories will be determined by **reverse** long run or coin flip if not decided by Championship shoot-off.

This rule shall not be interpreted to affect the right of all contestants whose score qualifies them from shooting off for the Championship Trophy in any event. Championship Trophy, for the purpose of this rule, means the trophy awarded to the highest scoring event winner. It does not mean class champions, special category champions or any other trophy than the high score winner and runner-up.

2. Leader-to-date listings are displayed on the video monitors in the main cafeteria building and scoreboard annex to allow shooters to track potential shoot-offs. Shooters are advised to note where special category shooters may have high score/tie in class and special category. It is possible that a score lower than broadcast on the video display monitors may be involved in a shoot-off.

3. Trophy ties in all handicap events will be shot off after the last event of each day. Trophy ties in singles and doubles events will be carried over to the next like event on the regular program whenever possible, and shot off by sub-event. If the program does not indicate a carry-over for singles or doubles events, the trophy ties will be shot off after the last event each day.

4. Contestants in shoot-offs will be called over the public address system to report to the designated check-in area. Anyone in a tie who does not answer the call for shoot-offs will forfeit rights to any trophy.

5. The trophy room is located at the east end of the cafeteria. It will be opened each day of the shoot at times determined by the Directors. Trophies will not be mailed.

6. Lists of unclaimed trophies will be posted on scoreboards by the cashier's window and on the website. The M.T.A. will make every effort to get trophies to the winners. However, any trophies for the year not picked up by the end of the next like event (ie. Spring Team Shoot to Spring Team Shoot) will be forfeited.

7. **Pins and Patches:** Anyone breaking 100 or 200 straight without carryover for the first time at the Michigan home grounds will be awarded a State Pin. Only one pin will be awarded to any individual. Please inquire at Squading.

MAKE-UPS

Any shooter missing part of a round should report to the practice traps for a make-up sheet, and make up the round(s) no later than 10 minutes after the last squad in that event has completed the event. Make-up rounds will be shot alone or with other make-up shooters. If the make-up is not shot within 30 minutes after the event, all targets not fired at will be scored zero. No shooter can make-up more than 50 targets on the practice trap. They must re-squad or forfeit.

FEES

1. **Fees** – Daily Fees: A.T.A. \$3.00, M.T.A. \$3.00. Payments may be by check (exact amount only) cash in U.S. funds only or by credit card. The cashier will accept no counter checks or secondary party checks; no exceptions. The MTA or ATA will not be liable in any manner for checks lost, stolen, undelivered or otherwise not received by the shooter. NO REFUND UNLESS THE EVENT IS CANCELLED.

2. **Junior and Sub-Junior** shooters may enter all events for \$34.00 per hundred entry fees plus A.T.A. and M.T.A. fees. Those shooting at a reduced rate may not play any options. Junior and Sub-Junior shooters who wish to play options in any event must pay full entry and options fees in all events. (See Classification number 5.)

Due to federal regulations, the M.T.A. will not issue winnings by mail or in person without obtaining the recipient's Social Security number.

Each shooter who is entitled to receive money during any event agrees that if such money is not received during the period of the tournament, a check in payment for the money won may be mailed to the shooter at the address indicated by the A.T.A. records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed, undelivered, or otherwise not received by the shooter.

SPRING AND FALL TEAM SHOOTS INFORMATION

How to Enter: Team entry forms with instructions will be available at the Squading counter. The team captains must **submit the form completely filled out**. All A.T.A. registered shooters are eligible to compete on a team, and shooters may shoot on one team only. A high degree of ability is not necessary since class winners in the team events are determined by the Lewis system.

Sub-Junior and Junior teams are welcome and encouraged. They must consist of shooters less than 15 and 18 years of age respectively.

The Directors reserve the right to reject any team name they determine to be inappropriate.

Targets: 100 targets per person at \$45.00 (plus A.T.A. and M.T.A. fees) will include targets, trophies and guaranteed purses.

Ties: All ties in Event 9, the Team event (except individual and team champion, which will be determined by shoot-off if necessary) will be by reverse score by sub-event. If a tie still exists, it will be decided by reverse long run.

Trophies: 165 team trophies – 33 winning teams (including Champion and Runner-up in each of these categories: Lady, Junior, Sub-Junior) 5 Trophies for each team. Individual trophies for Champion and Runner-Up. All scores are official 30 minutes after the event is complete.

Junior, Sub-Junior and Lady teams must declare their intentions to shoot for category trophies prior to shooting the Team Event. If no declaration is made, their team(s) will not be allowed to shoot for category trophies.

Guaranteed Purses:

\$50.00 to each member of Champion Team
\$35.00 to each member of Runner-Up Team
\$75.00 to Champion Shooter
\$50.00 to Runner-Up Shooter

Lewis Class: For the **MICHIGAN OPEN TEAM TRAP CHAMPIONSHIP** teams are divided into five classes – the top 20% of the teams in Class AA, the next 20% in Class A, etc., with the lowest 20% of the teams in Class D. (That means, for example, that if we have 150 teams, the 121st team will win Class D).

All Team awards will be made to the Team Captain. All money will be paid to the individual shooters.

Trophies will be awarded to each team member on the following teams:

- Champion Team
- Runner-up Team
- AA 1st through 5th
- A 1st through 5th
- B 1st through 5th
- C 1st through 5th
